

## The Tiny Level™

The Tiny Level™ has two strong rare-earth magnets permanently bonded to a spirit level. The Tiny Level™ has hundreds of uses, is hand-assembled in the U.S.A., and has a lifetime guarantee. Handy for the toolbox for both horizontal and vertical leveling. Makes a great fridge magnet- so you will always have a level ready for appliances and other household & specialty needs.

Disclaimer: This is not a toy. Keep out of reach of children. This product may present a choking hazard if swallowed.
